****Please note: ALL foals born at Buck Pond Farm will be administered Rhodococcus Plasma within 24 hours of birth.*****Due to recent outbreaks, all mares being presented to Buck Pond stallions for breeding (NOT boarded at Buck Pond) must be vaccinated for Equine Herpes Virus Type-1 (Rhinomune, Pneumabort-K, etc.) 14 – 90 days before breeding. A statement from Mare's veterinarian evidencing this vaccination **MUST** be provided to Buck Pond and accompany the mare to the breeding shed with breeding shed form on first trip to the shed. This can be listed on clean culture certifications. Buck Pond reserves the right to refuse to cover any Mare without proof of this vaccination.***SIGNATURE:** _____ **DATE:** _____
